LPD Case #: 10-4472

During the evening hours of 6/23/2010 officers conducted a vehicle stop in which the passenger, Eduardo Sandoval 6/27/1985 fled from the vehicle. Officers gave chase on foot and watched Sandoval enter a parked, running vehicle through the opened passenger side door. Sandoval locked the doors to the vehicle and then ordered the female occupant to drive away and help him escape. When the female refused, Sandoval attempted to push on the accelerator and grabbed the steering wheel from the female driver.

Officers immediately arrived on scene and took Sandoval into custody after a brief struggle. Neither Sandoval nor the officers involved were injured. Sandoval was subsequently booked for attempted carjacking and four outstanding warrants for his arrest.
